

## Special Chance Exam Committee 2018

---

Date: July 3, 2018

### NOTICE!

This is to inform all the constituent schools and affiliated colleges that the students who have passed written examination of all the theoretical subjects/coursework and have registered Thesis/ Dissertation/ GRP/ Independent Study/ Seminar/ Project Work/ Research Methodology/ Architectural Design I/ Architectural Design V/ Architectural Design VI/Project (Electronics and Communication program)/Practicum courses, etc. under Special Chance Exam 2018 can defend their projects as usual. After the defense, a copy of presentation slides (presented in defense) and main report along with the result (marks and letter grade) recommended by supervisor and/or external examiner must be submitted to the Special Chance Exam Committee by 16<sup>th</sup> of September 2018 (31<sup>st</sup> of Bhadra, 2075) for final evaluation by subject committee or expert nominated by the subject committee.

In the case of special courses in Bachelor of Engineering such as Mechanical Workshop, Architectural Elective I (Interior Design), Product Demonstration of Project (Electronics and Communication Programme), the Schools/Colleges must provide the evaluation report (marks/grade) recommended by supervisor and/or external examiner to the Special Chance Exam Committee by 16<sup>th</sup> of September 2018 (31<sup>st</sup> of Bhadra, 2075) for the final evaluation by the subject committee or expert nominated by the subject committee. The subject committee or expert nominated by the subject committee will observe and evaluate the prototype/product/design/output developed by the student.

Result will be published after the final evaluation by the subject committee or the expert nominated by the subject committee.

Should you have any query, please feel free to contact on # 98460-21167.

Thank you.
