

"Entrepreneurship Development for Pride and Prosperity" Bachelor of Entrepreneurship Development (BED) School of Development and Social Engineering Faculty of Humanities and Social Sciences Pokhara University

Introduction to Bachelor of Entrepreneurship Development (BED)

The Bachelor of Entrepreneurship Development (BED) is a four-year undergraduate programme designed to prepare future entrepreneurs equipped with comprehensive knowledge and skills to start their own business. BED focuses on identifying, analyzing and evaluating global and local entrepreneurial opportunities through the development of innovative ideas. It also aims at creating a conducive environment to assess new enterprises; market research; financial and business planning; family owned enterprise/ business for its transformation and modernization of women and minority entrepreneurs.

Objectives

The course is designed to achieve the following objectives:

- Enable students to start a successful enterprise
- Train students towards fulfilling the demand of technical and professional human resources required for entrepreneurship development
- Provide adequate educational background for careers in individual, community, social, public and private enterprises
- Create an in-depth understanding of the main stream as well as alternative and emerging issues of entrepreneurship development
- Equip students with a set of core knowledge, skills, and competencies required to work in communities, social enterprises and private enterprises

Career Opportunities

BED graduates can pursue wide career opportunities. They will be able to:

- Start their own enterprises
- Take over and expand family-owned enterprises
- Provide professional and extension services to aspiring entrepreneurs
- Bring an entrepreneurial perspective to business decision making
- Fulfill the need of professionals required for government and non-government organizations such as the Ministry of Industry, Commerce and Supplies (MoICS), International Non-Governmental Organizations (INGOs), Civil Societies and Research Institutions
- Create a platform in social entrepreneurship and in private sectors

Course Structure

BED programme is an interdisciplinary course with a total new insight. This programme incorporates eight semesters (two semesters per year) with 125 credit hours. The major courses include:

Entrepreneurship Skills for Startups; New Product Development and Management; Social Entrepreneurship; Community Based Enterprise Development and Management; Enterprise Management; Business Growth Strategic Management; E-Business Management; Indigenous Enterprise Management: Entrepreneurial Skills **Development**; Facilitation Skills; Business Counselling Skills; Global Entrepreneurship; Micro, Cottage and Small Enterprise

Management; Venture Ideas and Model; Fund Raising for Startups; Practicum, etc.

Entrepreneurial Skills Development/Practicum

Entrepreneurial Skills Development/Practicum courses will enable students to develop a realistic business plan to implement their business models. Practicum courses will provide students with real-life entrepreneurial experience. Students will start a new venture and run the venture throughout semester.

Fundraising for Startups

Students will be familiarized with the techniques of generating funds to finance start-up such as Business Angels, Venture Capital Financing, Crowd-funding, etc. A fundraising event will be organized by the students. Potential investors will be invited in the event where the students will present their business idea in the event to attract the investors. The investors can provide funds to the students' business ideas that are deemed to have high potential business growth. Students will also make attempts to generate funds from angel investors through the use of social media and crowd-funding websites and approach public agencies to generate fund to finance their start-ups.

Why BED at Pokhara University?

- ✤ A career oriented programme
- Focus on innovativeness, competitive learning environment, and market driven concentration
- Highly qualified faculties
- Taught with modern equipment and participatory teaching-learning methodologies
- Exposure of guest lectures and modular teaching faculties along with professionals

Admission Eligibility and Procedure

- Anyone who has completed 10+2 or intermediate level or its equivalent in any discipline from a recognized board is eligible for applying to Bachelor of Entrepreneurship Development (BED).
- Applicants are selected from a merit list of entrance examination conducted by the School of Development and Social Engineering.

Fee

A reasonable fee is set for the programme which is payable in instalments.

Scholarship

There are altogether 48 seats in BED programme out of which 20 percent seats are allocated for scholarships. Scholarship will be available as per the rules of the University. A separate application is required as per University Scholarship Procedure.
